

**JH/FK**

13<sup>th</sup> November, 2012

Dear Parent/Guardian,

As you may be aware, your child has a Geography module on Monday 21<sup>st</sup> January. This will be for the Unit 1 Skills and Challenges exam. There will also be a mock exam on Tuesday 11<sup>th</sup> December.

In order to help your child revise effectively both for the mock and the module itself, the department are running some revision sessions as follows:

Date	Topics covered
<b>Wednesday 5<sup>th</sup> December</b> <b>3.15 p.m.</b> Room 4 with Miss Moran	<b>Challenges</b> – Climate change; sustainability; traffic; rainforests; exam technique
<b>Friday 7<sup>th</sup> December</b> <b>3.15 p.m.</b> Room 1 with Miss Hay	<b>Skills</b> – map skills and graph skills; exam technique

Your support in encouraging your child to attend would be much appreciated.

In addition, may I recommend the purchase of a Unit 1 Skills and Challenges revision guide? This is exam-board specific and contains useful information on both content and exam technique. If you do wish to buy one, the ISBN is 9781444115338 and can be ordered through most book shops.

Kind regards.

Miss J Hay  
Subject Leader Geography
