Dear Parents/Carers

YEAR 8 GEOGRAPHY FIELDWORK VISIT: LULWORTH COVE, DORSET, WEDNESDAY, 26TH JUNE 2013

As part of the Year 8 Geography curriculum, students will be studying different coastal processes and landforms. The Dorset coast is an ideal place for students to witness the sea in action and examine the variety of coastal landforms

We ask for a voluntary contribution of £18.50 that covers transport, a guided tour and insurance. We will be departing from the front of school at 8.30am and will return at approximately 4.30pm (traffic permitting). Students who use the school buses will have to make alternative arrangements.

Students will not be required to wear school uniform. T-shirt, jumper, trousers or shorts and trainers will be more appropriate. Students must also be prepared for the extremities of the British weather, waterproofs, sun-cream and sun-hat should all be packed. A packed lunch and plenty of drinks will be required and students may also wish to bring a small amount of pocket money.

The fieldwork will include a visit to Lulworth Heritage Centre and a walk along the coastal path (this has been diverted due to a recent landslide). The groups will be closely supervised during the walk, but there may be half an hour before we leave the village of Lulworth when they will be allowed to buy themselves an ice cream or drink without such close supervision. No member of the party will be allowed to swim or paddle in the sea, nor will it be necessary to get too close to the cliff edges.

Please return the consent form with payment to the school office by Monday, 10th June 2013. We will not accept payment after this date.

Yours faithfully

Mrs R Inns
Subject Leader of Geography
