ST CRISPIN'S – A SPECIALIST SCHOOL IN MATHS, COMPUTING & LEADERSHIP

21st November 2012

Excellence for all

Dear Parents/Friends of St Crispin's

The sixth form students are currently organising their Annual Christmas party for approximately 40 senior citizens of Wokingham. This is an event that has become a St Crispin's Christmas tradition which we really enjoy hosting.

Last year, a number of you kindly donated gifts to help us with raffle and bingo prizes. Your generosity was so great, in fact, that we were also able to send each of our guests home with an individual present from Father Christmas – you're never too old!

Donations included chocolates, tins of biscuits, bottles, perfume, smellies, ties, socks the list really was endless. If you feel you can help us out again, we would be extremely grateful. Any presents can be sent in with students and left with Mrs Spooner, the sixth form administrative assistant, or delivered to the school office for safekeeping. The party is on Thursday, 13th December so we would really appreciate your gifts by Monday, 6th December to allow time for Santa's little helpers to wrap them all.

Thanking you in advance for your generosity and Christmas spirit!

Yours sincerely

St Crispin's Sixth Form
