

Excellence for all

RI/FK
3rd June, 2013

Dear Parents/ Carers,

As part of the geography curriculum in Year 9 we would like to carry out some fieldwork during the week commencing Monday 17th June 2013 in Wokingham, to prepare the students for their controlled assessments in Year 10.

This will involve a short walk across Wokingham during 2 of their geography lessons to collect data on the environmental quality of the area. The work carried out will contribute to a practice controlled assessment to be completed over the half term.

If the permission slip could be signed and handed in to your son/ daughters geography teacher by Friday 14th June. If the permission slip is not handed in, the student will not be able to participate. If you have any further queries, please do not hesitate to contact me on innsr@crispin.co.uk

Yours faithfully,
