

Excellence for all

ND/FK
3rd December, 2012

Dear Parents/Guardians,

Gifted and Talented Parental Workshop: Tuesday 11th December 6.00 p.m.-7.00 p.m.

As the lead teacher for coordinating the gifted and talented programme at St Crispin's, I would like to formally invite you to attend a Gifted and Talented workshop. We open this evening up **to all parents within the year group** to increase awareness of our provision and support so that we can work together in maximising the progress of your son/daughter. The evening will take place on **Tuesday 11th December between 6.00 p.m. and 7.00 p.m. in the main hall.**

Although as a school we identify a specific group based on CATs scores and other prior data (around the top 5%-10% of a year group), we recognise, as a school, that all pupils have the potential to be gifted or talented in a range of different ways. The evening will cover some of the more general points about how we identify our most able, the provision we currently have available and how they are supported and challenged in lessons. It will also be a chance for the school to provide some advice as to how you can best support your child. Furthermore, it gives us as a school the chance to have a platform and dialogue with you. In my opinion, healthy relationships are always a key ingredient for successful outcomes.

We do hope you will be able to take up this opportunity and join us for the evening. I am keen to tackle the challenges ahead and hope that we as a staff and our relationship with you can continue to help ensure that St Crispin's delivers on its promise of 'Excellence for all'.

If you are visiting the school and need support with gaining access to the building please contact us in advance and we will ensure that your entry to the premises is smooth and trouble free.

Yours sincerely

Mr N Davis
History Teacher
