

10th October 2012

HBK/JS

Dear Parent/Guardian

I would like to invite you and your son/daughter to attend the Year 11 Options evening which will take place on Thursday, 25th October from 7.00 p.m. until 9.00 p.m. As joining the Sixth Form is a new experience for any Year 11 student, the staff and I would like to give information about the different subject options and progression routes into further education in order for you to make the best decision regarding your son/daughter's future.

During the evening you will be able to speak to staff about entry requirements for different subjects and what choices might be best. You will also have the opportunity to speak to current Sixth Form students about their experiences so far and how to get involved in the different social communities.

You might be aware that further education is now compulsory and therefore there are already changes in place to our current system, one being the introduction of the three different route options. On the evening I will give a short presentation at 7.00 p.m. in the hall on how these different routes work and give advice on which of these would best suit your son/daughter. The talk will be followed by visits to the different subject areas.

I look forward to welcoming you at the school.

Kind Regards

Mrs H Beukes
Director of Achievement and Wellbeing Year 12
