OCR Level 2 National First Award in ICT 04676

Students begin the OCR L2 National First Award at the beginning of Year and complete the course by the end of year 11. This course has been developed to recognise learners' skills, knowledge and understanding of Information and Communication Technology functions, environments and operations. The learners carry out a range of tasks that have been designed to recognise their achievements in a modern, practical way that is relevant to the workplace.

Benefits of the course:

- Develops learner's knowledge and understanding of ICT
- Develops learner's ability to work autonomously and effectively
- Encourages progression
- Promotes interaction between employers, centres and learners
