

Dear Parent/Guardian,

**Tuesday 26<sup>th</sup> February St Crispin's School: 7:00pm**

ARCADE (Amethyst Resource Centre for Alcohol and Drug Education), a Reading based Charity working in the preventative field of Drug and Alcohol education across Berkshire, are hosting "**Into the Unknown**", a multi-media, interactive project in St Crispin's School for year 8 pupils.

*Into the Unknown* is designed to increase awareness and knowledge, give the opportunity to develop and practise assertiveness skills in relation to drugs and alcohol and give a fun learning experience. The presentation will give you more of an idea as to what information your child will receive, enabling you to have a platform for discussion with your child, other parents and teachers. Your child will be going through *Into the Unknown* during the day after your visit, do not bring them along to the evening.

This is an interactive presentation and it is hoped that you will take this opportunity to support your child's drug education programme with your attendance. Please return the completed tear-off slip to school, so that we are able to determine numbers attending, thank you in anticipation.

Further information may be obtained from Suzanne Powell at ARCADE or your child's form tutor.

Yours Sincerely,

Mrs L. De Rosa  
PSHCE Co-ordinator  
St Crispin's School

.....tear-off return slip.....

I/We will/will not be attending the "Into the Unknown" presentation at **St Crispin's School** on **Tuesday 26<sup>th</sup> February 2013 at 7:00pm.**
