ST CRISPIN'S – A SPECIALIST SCHOOL IN MATHS, COMPUTING & LEADERSHIP

Excellence for all

3<sup>rd</sup> October 2012  
*EG/JS*

Dear Parents/Guardians

The final details for pupils for the daytrip to France are below:

- arrive at school at **5.45 am**
- bring **passport**
- hand in their passport to the coach leader on boarding the coach. (All coaches will be labelled 1-4 and pupils know which coach they are on)
- bring euros as spending money (There will be no opportunity to change money on the day)
- wear comfortable shoes and bring a waterproof jacket
- have enough food and drink to last the day
- bring a pen
- follow all instructions to ensure their own safety and that of the group
- teachers will take responsibility for the passports during the day
- passports and EHIC cards will be returned to pupils before leaving the coach on Thursday evening
- we anticipate returning at approximately **10 pm** (Pupils will be told to contact parents when we are 30 minutes from school)
- as it will be dark and late parents must ensure that they make arrangements to collect their children promptly
- this year we have some pupils with severe nut allergies. We ask that all pupils do not bring food containing nuts on the trip
- students are permitted to arrive school at 10am on Friday morning

We hope that all pupils will have an enjoyable day in France.

Yours sincerely

Emma Gabbitas
