ST CRISPIN'S – A SPECIALIST SCHOOL IN MATHS, COMPUTING & LEADERSHIP

Excellence for all

21st September 2012

Dear Parent or Guardian

Governor Vacancies

I am sorry to report that no parents decided to stand for election for our parent governor vacancy following the letter to parents dated 5th September. In this situation the Governing Body can directly appoint a parent to fill the vacancy.

In addition to our parent governor vacancy we will shortly have additional vacancies for a Local Authority appointed governor and a community governor. These positions do not have to be filled by parents, although many of them are.

St Crispin's has always had very strong representation from parents and ex-parents on our Governing Body and we would like to continue this tradition. Our basic need is for people with the interest and passion for the school to join us – no previous experience or knowledge is required. Additionally, there are some specific areas of background and expertise that would complement our current mix of skills. We would like the cultural diversity of the staff and student community to be represented as fully as possible on our Governing body. It would also be of great value if we could recruit a governor with legal and/or financial management experience.

If you personally would be interested in joining us, or just finding out more, please contact me (chairofgovs@crispins.co.uk or a message via the school office). If you let me have a telephone number I will give you a call. If you know of someone else who is not a parent but could bring specific skills we would be delighted to hear from them – please put them in touch.

These are exciting times at St Crispin's with a new science block shortly to come into operation, and a new headteacher joining us in the new year. Education nationally is going through major change and we have a responsibility to ensure that our school continues to thrive in a constantly changing environment. Governors have found the role stimulating and rewarding. Please come forward if you feel you could contribute.

Yours sincerely

Geoff Wilde
Chair of Governors
