Dear Parent/Guardian,

Invitation to join Wokingham Library

We are writing to you to invite you to sign up your child to become a member of Wokingham public library. If your child does not currently use the library you may be unaware of the range of resources we hold which can support the national curriculum.

We have fiction and non-fiction books, audio books, e-books and DVD's.

We also offer free access for all library members to online reference resources including Encyclopaedia Britannica. All are available from within our libraries, from home and anywhere else with internet access using a library card number: Encyclopaedia Britannica Junior for ages 5 to 11 provides a wealth of authorised information in many different formats to make learning fun and interactive. For more information and to access the online resources check out:

To register your child for a Wokingham borough library card, all you need do is complete both sides of the enclosed form including the parental/guardian guarantee section on the reverse and then send it back into school.

Further details of our services can be found on our website at www.wokingham.gov.uk/libraries

Yours sincerely

R Alexander
