Dear Parents and Carers,

Re. Skate Park, London Road

I am writing to inform you that the Skate Park on London Road will no longer be open during the school day. Wokingham Council have taken the decision to close the Skate Park during school hours (from 8.15am to 3pm) during term time. The park will of course remain open after school and during the school holidays.

This decision will of course not affect many of our students at St Crispin's. However, Year 10 students will have lunch passes and are allowed off site from 12.20pm to 1.00pm from 10th June. Students with passes should not use the Skate Park.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Andy Hinchliff
Deputy Headteacher
