

Supporting Your Child
Dealing with Challenging Behaviour

St Crispin's School
Tuesday 6th November 1:00-3:00pm
In the Conference room – for parents of students in years 7 to 10

Refreshments provided

Supporting a child through school is probably the hardest job an adult will undertake, but also the one for which the least amount of training and preparation is provided.

We would like to offer you the opportunity to attend a session in school. The topics covered will help you to develop and promote positive relationships at home with your child. The session will include evidence based information and discussion.

Topics include:

- How parents set clear family rules with their teenager
- How parents can deal with their teenager breaking the rules - calm discussion
- How parents can use consequences if discussion hasn't worked
- How parents can deal with the situation if using consequences hasn't worked
- Strategies parents can use if their teenager becomes emotional or the situation escalates
- How parents can recognise that their teenager is being manipulative and how to manage this

If you would like to book a space on this session, please complete and return the reply slip to the School Office marked for the attention of **Val Gent** by **26th October 2012** or you can email Val on: genvt@st-crispins.wokingham.sch.uk.

Supporting Your Child (FAO Val Gent)

St Crispin's School Tuesday 6th November 1:00pm – 3:00pm

I would like to book places for this session
