6th October, 2017

Dear Parent/Carer,

I am pleased to inform you that the Year 11 Autumn Report is now available via our online portal INSIGHT. This link for the website is:

<https://insight.st-crispins.wokingham.sch.uk/INSIGHT/>. Reports are also visible on the INSIGHT App under the Tracking Reports tab.

INSIGHT can also be accessed through the school website under 'Information for parents', where a guide on how to use INSIGHT can also be found with details on how to install a mobile app for your phone or tablet. If you have lost or forgotten your INSIGHT login please email insight@crispins.co.uk providing the name and tutor group of your son/daughter and we will issue a new login/password details.

Whilst viewing your child's report please take a few moments to check the data we hold in school under the General/Personal details page. Any amendments can be made via this page.

This report is the first of three reports of this year. The purpose of the report is to share with you the target grade and prediction of your son/daughter's final grade in each subject this summer. There is also an indication of attitude to learning and any concerns identified by teachers about the progress of your son/daughter. This information identifies students who may not be reaching their potential and enables us to recognise and encourage those students who are working well. There is further guidance about the report on the school [website](#).

Further to our [letter](#) last term, for students studying General Studies, this first tracking of the year only includes their target grade and the information about their attitude to learning. This is because at this early stage of the term it is difficult to give an accurate projection of their results in the summer.

As the year progresses, subject teachers will be suggesting and providing revision tools and materials (such as past papers, personalised learning checklists and revision booklets). I would encourage each student to make full use of the revision materials that the subject teachers have provided. More information about the countdown to the exams can be found in the regular 'Pathways to Success' email.

If you have any queries about the report, please do not hesitate to contact me.

Yours faithfully,

Mrs V Bunting-Palmer
Head of Year 11
