

# **ST. CRISPIN'S SCHOOL**

## **.Do not waste energy**

Always turn lights, computers and projectors off when not needed

## **.Don't waste water**

Always turn the tap off after using it, save rain water for watering plants

## **.Recycle**

Recycle everything that you can in the appropriate bin

## **.Respect the environment**

Do not litter, help out by picking up any waste you see on the floor

## **.Think about pollution**

How do you travel to school? Could you walk or cycle?  
Help save the world!

**REDUCE**

**RE-USE**

**RECYCLE**
