

OPEN EVENING—CAR PARKING ARRANGEMENTS

We are so sorry that we cannot accommodate parking for all our visitors on the school site for Open Evening. Instead can we encourage you to make your way back to town where parking is available in the Easthampstead Road car park (access from the town end) where our 6th formers will be on hand to direct you back to school. It is a short 10 minute walk. We hope the map below will be of help to you.
