Dear Parent/Carer

St Crispin's Science department is pleased to be able to offer discounted prices on the following revision guides:

## **Collins Revision Guide & Work Book for AQA Biology, Chemistry & Physics- £12.10**

We recommend these revision guides as they combine both revision materials, practice questions and mark schemes.

The revision guides are a great resource to use as a first stage in intervention when students are not on track to meet their target grade as they can be used independently and regularly at home. In addition, they will help students to fully prepare for topic tests and exams to help raise their grades.

Please complete your order by clicking on the link below and return money to the office by **Monday 1<sup>st</sup> October 2018**.
