Dear Parents/Carers

As part of our commitment to ensure students are fully aware and understand the risks of drugs, we have arranged for all students in Year 9 and 10 to watch a performance by Calum Foad who will then deliver an educational talk on drugs and peer pressure.

Calum is part of an agency that provides educational school tours to secondary schools all over the UK. The aim of Calum's performance and message is to educate students on drugs and peer pressure. He will discuss core substances such as alcohol, tobacco and some illicit drugs such as marijuana. He will also include examples of how he made good life choices when he was offered these substances when he was at school. Calum will talk through how these situations arose, his reactions, what he did along with the risks and consequences of the situation. The main message of the presentation is to empower students to "make the right decisions in life", and to "live a healthy lifestyle".

The event will take on Thursday 18th October during registration and period 1 and lessons will be suspended to allow students to attend.

More information about Calum and his music can be found on his webpage - <http://calumfoad.com/> or his Facebook profile - <https://www.facebook.com/CalumFoad/>

If you have any questions about the event then please do not hesitate to contact me on winmilln@crispins.co.uk or 0118 978 1144

Yours faithfully,

Mrs N Winmill
