Dear Parent/Carer,

On Thursday, 18th October the Year 12 Computer Science students will have the opportunity to visit The National Grid in Sindlesham.

During the visit students will be able to hear from people who work at National Grid, from graduates to experienced computer scientists and find out first-hand what it means to work in this field.

Students will travel on the school mini bus and the visit will take place during computer science lessons. Students should dress smartly as they normally would for school. They will be back in time for lunch at school.

If you would like your son/daughter to attend then please complete the consent form by clicking on the link below:

Please ensure the school is aware of any changes to your son/daughter's parental contact details and/or medical conditions.

If you would like more information please don't hesitate to contact me.

Yours faithfully,

Mrs A Beglin
Technology Department
