Strategy Statement

St. Crispin's School is committed to supporting all students who have been impacted by the disruption to their learning as a result of the Coronavirus pandemic.

The additional funding will be used alongside established strategies according to the principles of the EEF research base.

Whole school strategies:

- Developing and Supporting remote learning
 - Training in use of Teams for teachers
 - Training in use of Teams for students and parents
 - Pedagogy training videos for staff
 - GCSEPod subscription
- Developing home-school communication using online platforms for
 - Meetings with students and parents
 - Information and Guidance events such as Y7 and Y12 induction and Options Week

Targeted support for groups:

- Masterclass programme
- Bootcamp programme (alongside existing intervention)
- Study Skills programme

Support for individuals:

- Long term loan of laptops to students

Summary of Actions						
Objective	Action	Details	Lead staff	Dec 20	Mar 21	Jun 21
Improve staff understanding of MS Teams	Training courses offered with MS and in house	Choice of three courses offered to all staff	AH			
Improve student understanding of MS Teams	Training courses offered with MS and in-house	Evening courses offered with HoY and MS	AH			
Improve pedagogy in MS Teams and classroom practice	Creation of pedagogy instruction videos	Topics to include: Scaffolding, Metacognition, Effective Feedback, Spaced Learning Oracy, Personal Study	JHU			
Ensure continuity of communication between school and home	Online platforms for Parents' Evenings and other meetings	Use MS Teams and other platforms for previously face to face communications	HW & HoYs			
Students regain the richness of the broader curriculum through the Masterclass series	Establish Masterclass series for Y11 and Y10	Masterclasses and videos offered to all in Y11 – English, Maths and Science in the Autumn Term, all other subjects in the Spring Term. Y10 Masterclasses in the Summer Term.	HoDs & JHU			
Students revise and consolidate their knowledge through small group tuition in the Bootcamp series ¹	Establish 'Bootcamp' tuition sessions for Y11 and Y13 and then for Y10 and Y12	Bootcamps offered for selected students in Y11 - English, Maths and Science in the Autumn Term, all other subjects in the Spring Term. Bootcamps for Y13 subjects begin in Autumn Term. Bootcamps for Y10 & Y12 begin in the Summer Term	HoDs & JHU			
Students develop study skills to help them in their transition to KS4	Establish study skills sessions for students in Y9	Skills taught in lesson time as part of metacognition focus and through GCSEPod Study Smart scheme	JHU & SHA			
Students access remote learning and PS set via MS Teams via the Laptop loan scheme	Distribute computers to students in need of IT equipment	St. Crispin's loans laptops on a long term basis to students identified in need of IT equipment	HoYs & JHU			

1 – please note that Bootcamps work alongside the existing Intervention programme which supports students in all years. Students may receive support in either or both of these initiatives.
