7<sup>th</sup> July 2021

Dear Parent/Carer,

As we come to the end of the academic year please allow me to say a big thank you and well done to all students in Year 9. In what has been a challenging year for many, the resilience and fortitude shown by our students has been incredible and has made me proud to be the Head of Year 9. Thank you also to you as parents for the unwavering support you have given to us as a school.

We are now at a major milestone for our students in that we come to the end of Key Stage 3 and prepare ourselves to begin GCSE and vocational studies in September. I am looking forward to working with your son/daughter to tackle these challenges head on.

I am pleased to inform you that the Summer Year 9 Report is now available via our online portal INSIGHT. This link for the report is: <https://insight.st-crispins.wokingham.sch.uk/INSIGHT/>. This is the final report for this academic year.

The purpose of the report is to share with you the end of Year 9 target grade, current tracking grade against that target, attitude to learning codes and any concerns that teachers may have about the progress of your son/daughter. This final report also includes some more detailed feedback from your son/daughter's form tutor. This information identifies students who may not be reaching their potential and enables us to recognise and encourage those students who are working well. Guidance for parents about the reports can be found on the school [website](#).

If you have any queries about the report, please do not hesitate to contact their subject teacher or myself directly.

Yours faithfully,

Mr S Hatton  
Head of Year 9

INSIGHT can also be accessed through the school website under 'Information for parents', where a guide on how to use INSIGHT can also be found with details on how to install a mobile app for your phone or tablet. If you have lost or forgotten your INSIGHT login please email [insight@crispins.co.uk](mailto:insight@crispins.co.uk) providing the name and tutor group of your son/daughter and we will issue a new login/password details.

Whilst viewing your child's report please take a few moments to check the data we hold in school under the General/Personal details page. Any amendments can be made via this page.
