Oliver! Rehearsal Schedule

Rehearsal Etiquette

As a member of the company, each student is responsible for checking the schedule and preparing for the scenes in which they appear. Students will be briefed about how to approach rehearsals, and that teamwork, independence and maturity are key. As well as rehearsing their music they will need to revise their lines and movement.

In the event of a conflict with the rehearsal schedule, for example if your son/daughter has an examination or another commitment, please can we request that they inform us, via email, at least one day in advance in case adjustments to the rehearsal need to be made.

As in previous productions, we will encourage students to complete personal study or revise during any brief moments when they may not be needed in a scheduled rehearsal. Space will be made available for them to do this.

The show dates this year are Tuesday 5th July to Saturday 9th July, curtain up at 7:30pm.
