Are you an outstanding and dynamic Science teacher looking for a full or part-time role within a well-established and collaborative department?

For September 2024 | The Circle Trust Main Pay Scale. Range: MPS1 £30,000 to UPS5 £46,525 pro rata

As a talented and passionate Science teacher you will appreciate the commitment of our dynamic Science department to inspire and develop a deep love of the subject across the school. The successful candidate will be joining a well-established, exceptional team of teachers, using fully-serviced and well-resourced teaching labs, break out zones and biodiversity areas.

Staff wellbeing is a key focus; we want you to enjoy coming to work and to feel valued in all that you contribute. Your enthusiasm to enhance the role of Science in the curriculum will be rewarded with many opportunities to build your experience and maximise your potential. At St Crispin's our ethos of "Excellence for All" encapsulates our commitment to do the very best for both students *and* staff and you will be welcomed by a happy, friendly and supportive team.

If you are looking for a vibrant learning environment with many opportunities to build on your experience, with the possibility of flexible teaching hours, we would love to hear from you.

We welcome applications from experienced teachers and ECTs with full support given throughout the ECT induction period. For those with experience in the role, part-time flexibility is available.

Please note, this position is advertised as fixed term however a permanent contract will be considered for the right candidate.

Visits to the school are warmly welcomed!

Our school

St Crispin's is a mixed comprehensive secondary school. We offer students of all abilities and interests the opportunity to fulfil their potential.

We believe in promoting excellence in an atmosphere where students can learn, enjoy, grow and support each other.

We have a strong focus on the basics: excellent learning and teaching, a safe, disciplined environment and an ethos that promotes high aspirations.

Good qualifications are the key to a young person's future success and for this reason, they are our main priority. Nevertheless, developing young people to become well-rounded, articulate, confident and happy is of equal importance.

We have a wonderful team of committed staff that provide support, challenge and expertise to enable every student to achieve.

Pastoral system

Our school ethos for many years has been 'Excellence for All' and it is very much at the heart of all that we do. Indeed, we strive for excellence **from** all to ensure that there is a positive culture within our community to be the best that we can. We work to ensure that students not only leave with the best possible academic results that they can be proud of, but also key skills for the working world which are individualised to their needs and the path they wish to follow.

We offer enrichment beyond the classroom as much as possible, and stakeholders speak highly of the opportunities that the school offers. We tailor the curriculum termly for each year group to develop key life skills and virtues such as respect and resilience.

Our commitment to preparing young people for the wider world is reflected in not only our very low NEET figures but the increasing number of young people who choose to stay at the school for their post-16 studies and the number of external students that join us for the Sixth Form.

Our culture

The importance we place on values and positive behaviour ensures a culture within the school where students recognise that whilst they do have rights such as 'to learn' and 'to be heard', they also have a responsibility to respect one another as well as the wider community. This underpins the behaviour procedures which staff are consistent in implementing. We continually review the effectiveness of policies and approaches, and staff are encouraged to reward students for positive behaviour and for showing respect to our community.

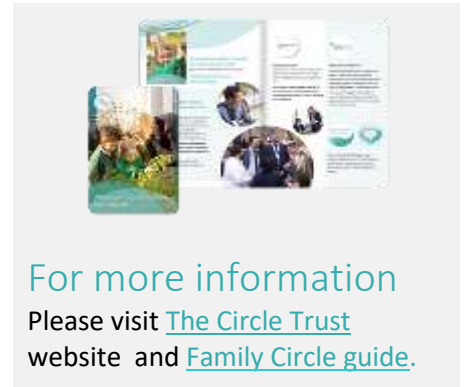

About The Circle Trust

The Circle Trust, established in 2018, was created to serve Wokingham and the surrounded area. The Circle Trust was borne out of a desire that all children and young people have an excellent, well-rounded education and flourish in first-rate schools where the best teaching, the best facilities and the most up-to-date resources are made available to them.

 [An introduction to The Circle Trust](#)

We are a community of schools that have shared values and an essential common ethos and vision for education and learning. At the centre of our work together is improving the educational outcomes for our pupils.

Science Department

Introduction and welcome by Head of Department

Leadership of science at St. Crispin's is by a forward thinking and innovative team that provides a challenging and interesting learning experience. We have high expectations of both students and staff in a department that has recently celebrated excellent and significantly improved GCSE and A-level results. Our department is collaborative and inclusive and we expect the successful candidate to take a key role in building on this success.

The successful candidate will be joining at an exciting time following the establishment of our new purpose-built science block, featuring 11 teaching labs, including a super lab for team teaching and a fully serviced lecture space that seats 120 students. The department has a strong leadership team with three experienced teachers supporting the Head of Science, allowing us to deliver a wide and engaging curriculum including Animal Care and Applied Science.

In this period of growing success for the department, we aim to increase our students' understanding and appreciation of Science to help them become well-qualified and rounded members of the workforce and leaders of the future. Our new facilities also provide opportunities for students to extend their learning beyond the core curriculum through extra guest lectures, activities such as Science Club, and whole school events.

We look forward to welcoming enthusiastic new members to our team to help us shape and deliver our vision for the future.

Curriculum Overview

We currently have a two-year program at KS3, which develops the ability of students to work independently, explore science and communicate scientifically.

Key stage 4 is taught from year 9. We follow the AQA Trilogy combined science route for the majority of courses and single sciences for our two highest attaining sets. We have produced an alternative curriculum pathway to support less able students and to prepare them for GCSE through the teaching of practical skills, first aid and human biology.

Key Stage 5 offers GCE's in Biology, Chemistry and Physics which all follow OCR specifications. We also offer BTEC level 3 Applied Science as a vocational route for those who have an interest in pursuing scientific careers.

Exam Performance

Performance at GCE and GCSE Science is strong. In a time of change, we have recently had very successful results across our examined groups and a very high success rate in BTEC courses.

Resources and Rooming

In February of 2013, we moved to a spectacular £5 million bespoke Science block, which offers:

- 11 fully serviced and well-resourced teaching labs, equipped with interactive whiteboards and data projectors, with the facility to connect mobile fume cupboards
- Break out zones and a covered science area for outdoor learning opportunities
- Two biodiversity areas including an aquatic habitat and a (young) orchard
- A fully serviced lecture theatre seating 120
- 3 prep rooms run by a team of 3 full-time and 1 part-time technicians
- Science Intervention assistants (1 full-time equivalent)

Other Information

The successful candidate will have an interest in developing their pedagogy and taking a wider role in science, looking for opportunities to engage students in science through wider learning activities such as STEM clubs and events to enrich the curriculum.

About Wokingham

Wokingham has plenty to offer and our historic market town is by no means standing still. We are coming to the end of a £100m town centre regeneration programme and the population continues to grow.

We are often found at or near the top of surveys for the best place to live and to raise a family. We are surrounded by spacious woodland and lush green fields. There are plenty of options for being active in the great outdoors – we are near excellent mountain bike trails, water sport centres, play areas, skateboard parks, golf courses and bridle paths. There are also many other ways to keep busy with nearby cinemas, ten pin bowling and theatres.

We enjoy good transport links by road and rail to key towns such as Reading, Bracknell, Windsor, Basingstoke and Guildford, in addition to being just 40 miles from central London and 25 miles from Heathrow Airport. Reading is an award-winning shopping destination in the Thames Valley region and Windsor is of course world-renowned for its Royal residence, Windsor Castle.

Wokingham has a strong community spirit which is highlighted by the fabulous May Fair, International Street Concert, Food and Drink Festival and Winter Carnival. The town truly comes alive during these events.

We love our town, and we look forward to welcoming you.
