Pastoral system

Our school ethos for many years has been 'Excellence for All' and it is very much at the heart of all that we do. Indeed, we strive for excellence **from** all to ensure that there is a positive culture within our community to be the best that we can. We work to ensure that students not only leave with the best possible academic results that they can be proud of, but also key skills for the working world which are individualised to their needs and the path they wish to follow.

We offer enrichment beyond the classroom as much as possible, and stakeholders speak highly of the opportunities that the school offers. We tailor the curriculum termly for each year group to develop key life skills and virtues such as respect and resilience.

Our commitment to preparing young people for the wider world is reflected in not only our very low NEET figures but the increasing number of young people who choose to stay at the school for their post-16 studies and the number of external students that join us for the Sixth Form.

Our culture

The importance we place on values and positive behaviour is that whilst they do have rights such as 'to learn' and 'to be heard', they also have a responsibility to respect one another as well as the wider community. This underpins the behaviour procedures which staff are consistent in implementing. We continually review the effectiveness of policies and approaches, and staff are encouraged to reward students for positive behaviour and for showing respect to our community.

Art & Design Department

Department description and information for candidates:

Thank you for your interest in this post. The Art and Design department was newly formed in September 2018 to bring together Art, Photography, Product Design, Textiles and Food Technology. We are a vibrant department with a committed staff.

The ethos of the department is on creative thinking, sound research and critical analysis, high quality resolutions and the development of individual talent through skills acquisition. Students are challenged to improve their own individual standard and extension through independent study; this is a strong feature of the department. Art and Photography students' work is regularly selected for exhibition in local firms and community centres and we have a thriving Robotics club. Food Technology is a popular option and the students are keen to experiment and develop their practical cooking skills.

Curriculum overview

At KS3, students follow a balanced curriculum in full class sets for Art and Graphics (3 hours a fortnight) with smaller class sets for Product Design, Textiles and Food Technology specialisms (2 hours a fortnight). The smaller technology classes are taught on a carousel system. They cover a number of specialist areas which provide a broad range of opportunities to develop both technical dexterity and life skills. All students have one rotation in Food Technology each year as it is seen as an essential life skill. Drawing is also regarded highly as a foundational skill and students are set regular objective drawing tasks and taught technical drawing to develop their capabilities as artists and designers.

At KS4, students follow GCSE courses in Art and Design, Photography, Systems, Textiles and Three-Dimensional Design, and the Eduqas WJEC Level 1/2 Hospitality and Catering. There is a diversity of course structure to meet the needs of the exam specifications and students are encouraged to develop independent working practices to maximise their attainment.

At KS5, students can follow AQA endorsements in Fine Art, Graphic Communication, Photography, Textiles and Three-Dimensional Design. The courses are tailored to each cohort and there is access to high quality materials and photographic equipment to support effective learning. There is a permanent sixth form studio with allocated spaces for A' Level students to enable independent study.

Resources and rooming

The department consists of 10 classroom / workshops (with specialist facilities available to do photography, ceramics, wood, textiles, systems, CAD and Food Technology).

Extracurricular Art

Casual clubs and support sessions for exam classes run at the discretion of the staff.

About Wokingham

Wokingham has plenty to offer and our historic market town is by no means standing still. We are coming to the end of a £100m town centre regeneration programme and the population continues to grow.

We are often found at or near the top of surveys for the best place to live and to raise a family. We are surrounded by spacious woodland and lush green fields. There are plenty of options for being active in the great outdoors – we are near excellent mountain bike trails, water sport centres, play areas, skateboard parks, golf courses and bridle paths. There are also many other ways to keep busy with nearby cinemas, ten pin bowling and theatres.

We enjoy good transport links by road and rail to key towns such as Reading, Bracknell, Windsor, Basingstoke and Guildford, in addition to being just 40 miles from central London and 25 miles from Heathrow Airport. Reading is an award-winning shopping destination in the Thames Valley region and Windsor is of course world-renowned for its Royal residence, Windsor Castle.

Wokingham has a strong community spirit which is highlighted by the fabulous May Fair, International Street Concert, Food and Drink Festival and Winter Carnival. The town truly comes alive during these events.

We love our town, and we look forward to welcoming you.
