22nd May 2026

Dear Parents/Carers,

As we reach the end of what has been a busy yet very successful term, I would like to thank you for your continued support of the school and our students.

I am pleased to share that exams have started well for both Year 11 and Year 13 students. Their conduct, commitment, and preparation have been excellent, and we are extremely proud of the maturity they have shown at this crucial stage of their education.

As previously mentioned, Ofsted's recent visit to the school was very successful, and we look forward to sharing the final report with you as soon as it is available.

Looking ahead to next term, we have a number of exciting events planned. These include our much-anticipated school production and our annual Presentation Evening, alongside a variety of enrichment activities that will both engage and benefit our students.

I would like to take this opportunity to highlight an important change being introduced next term. We will be trialling a system of allocated toilets for each year group, meaning students will have a designated toilet space to use throughout the school day. In addition, we have increased supervision in these areas to ensure this is a success. This decision has been made in response to feedback from across our school community.

We recognise that some students and families may have concerns. Please be assured that we will be reviewing the system regularly, and adjustments will be made where needed. If you have any specific concerns relating to your child, please contact their Head of Year so that we can work together to find a resolution.

We hope this will lead to students feeling safer and seeing a reduction in negative behaviour in toilets across the school.

Thank you once again for your ongoing support. We wish you and your families a restful break and look forward to welcoming students back for an exciting final term of the academic year.

A handwritten signature in black ink, appearing to read 'P. Griffiths', with a stylized flourish at the end.

Mr Peter Griffiths
Headteacher
