6th November 2026

Dear Parents/Carers,

I hope you had a good half term break.

Firstly, I wanted to thank those of you that took the time to complete our Edurio Parent Survey. Your input is always gratefully received. As a Senior Team, we have been analysing the results and picking up on some of the key themes raised. Over the next couple of weeks, I will send a summary of these themes and our intended response.

Following on from this, please look out for a communication next week regarding my Headteacher drop-in sessions; where you are invited to book an appointment to chat with me.

It was great to see so many of you at our Sixth Form Open Evening yesterday. I hope you were able to gather enough information to help you and your child decide on their next steps. Please reach out to the Sixth Form team if you have any further questions.

As a school we constantly review our systems to ensure that students are getting the right level of support and can be in the strongest position to achieve. This term we have made some minor adjustments to some of these systems.

Punctuality
Last term we saw a slight increase in the number of students arriving at school after our formal start time of 8.30am. It is vital that students arrive on time so that they can benefit from our morning tutor programme and set themselves up for the school day. The main student entrance will now close at 8.30am and students arriving after this time will be directed through reception where they will be met by a Senior Team member to discuss why they are late. I appreciate that there will be occasions when students are late through no fault of their own (traffic etc) but we want to ensure that students understand the importance of punctuality.

Uniform
This week we have held year group uniform checks, the majority of which have been very positive. We will continue to monitor this so please support the school by ensuring your child is wearing the correct uniform.

Lunchtime
During the colder months our restaurant naturally becomes busier. We have introduced a new year group queuing system to ensure that we can get students through as quickly as possible.

Behaviour Procedures

Thank you for your ongoing support of our behaviour procedures. Please can we ask you to ensure that your child attends their scheduled detentions. You will receive an email, and it will also be on the student's Arbor calendar. Attending these detentions ensures we have consistent systems in place and equity for all students.

I wish you a good weekend.
